I am notifying the building official I am aware of the high-efficiency interior lighting requirement of 2017 Oregon Residential Specialty Code (ORSC) Section N1107.2 and I have taken steps to meet this code requirement.

Section N1107.2 High-efficacy interior lighting systems. All permanently installed lighting fixtures shall be compact or linear fluorescent lighting. Screw-in compact fluorescent lamps comply with this requirement.

The Building Official shall be notified in writing at the final inspection that the permanently installed lighting fixtures have met this requirement.

Exception: Two permanently installed lighting fixtures are not required to have high-efficacy lamps.
